Once this button is clicked, the following page will be displayed to enable view and appraise staff.

REPORT ERROR

This is the seventh menu button and is located after the My Reporting Lines menu button. As we all know that no system/application is perfect or hundred percent OK, so we are expecting minimal level bugs/error to occur. So if this is the case during the time of usage, we advise you copy out the error message and send it to us. All you have to do is click the **Report Error** menu and your default email application will open with the required fields already filled in for you, just input your error/observation message and send. We will take it up from there.

This page will give you link to download this material you are reading as a Portable Document Reader (pdf) format.

TOP MENU BAR

This is located at the top right side of your page, it has the following menu:

User Menu: This will display your username beside a user icon with dropdown to grant you access to the following pages:

- My Profile: this will open your profile page for viewing or editing purpose.
- Account Settings: this will enable you change your user log in details.
- Edit Profile: this will enable you edit your e-appraisal profile page.
- Log Out: this will log you out of the system, it is mandatory that you log out of the appraisal system once you are done for that day; this is to avoid someone using your system or browser at a later end having access to our appraisal record and thereby tampering with it.

Task Bar: This will show you how far you have gone in you appraisal profile and appraisal process, always click here to track your progress. Always ensure your profile level is at 100%, if it's not then click on the **edit profile** menu to complete it.

Counter: This will display the number days, minutes and seconds left to the end of appraisal.
